Dear sponsors and friends!

It is with great joy and gratitude we write to you again. You have become an important part in the Ministry working with our children and families in the Felix Family Village. Through your support and dedication, today we have six families living in the village and the seventh family will move in late spring 2012.

During 2011, we had the pleasure to welcome new children, and many more we hope soon to move in. It's a big day for our families when a new child moves in. We hope and trust for the year 2012, that we will have many more sponsors, so we can fill our homes with children.

It has already been a few years since the Felix Village first home was opened and the first children moved in. When we meet the kids today, there is no doubt that they know they belong to a family. As older siblings they take care of their small sisters and brothers in a wonderful way. They are there to help with reading, playing and giving hugs. There is a warm unity among the families and they spend much time together, but you can still see how they are individual families with their own habits and interests.

During the latter part of autumn, we were traveling in the U.S. We traveled to churches in California, Nevada and Utah, presented the Ministry, and invited people to be part in the work by being a sponsor to a child. Along with us were a houseparent couple from Caminul Felix in Romania and six young people. It made a big impression on the people who we met when our young people from

Caminul Felix talked about the importance of receiving a new mom, dad and family. Now it was their mission to give of their time to tell others that there are children in Thailand who need to have a family. Just as they have received.

In September we had the pleasure to start building on our seventh house in the village. The new parental couple was there with her two small children as we dedicated the family and the house to God. The families in the village were happy and are looking forward for another family to move into the village during the late spring 2012. After that, it's three more houses to build. We pray and believe that soon we shall get the donor to build them.

Just like last spring in Thailand, it was hit again by a bad flooding after heavy rain. This time our Felix Village did well and we are so grateful for that. Still we feel for the many victims who lost their homes.

Felix Village often receives visitors from Thailand and elsewhere. We get reports from visitors about how good they feel to visit our children and families. When our Multi Purpose Building is done we will be able to receive visitors in our guest rooms. In this way, we will also get an income.

A craft department has begun which produces batik for sale. The work is led by

Pastor K and his wife, On, parents in one of the homes, The children are happy to learn this skill that is well known in Thailand. Already they had and have several large orders, many visitors have gone home with a nice souvenirs purchased from Felix the village.

We have some goals and wishes for the year 2012 that we want to share with you:

More sponsors

Funds to build the three last houses

Complete the construction for the Multi-Purpose Building

One or two dentists who want to come for a week and help us with our children and parents teeth,

So the time has come that we will soon be celebrating Christmas and New Year. Perhaps you are wondering what to buy and give your family or friends for Christmas. Why not make the Christmas Joy a double blessing, by giving a gift to Felix Family Village in your family or a friend's name. Or give a sponsorship commitment for one year! You can also send an special Christmas donation. The joy you will feel will make itself felt long after we are done with the celebrating of this beautiful season. Have you any questions feel free to contact us.

We want to wish you a peaceful Christmas and New Year!

God bless you!

Is it your birthday or will you celebrate another occasion? Instead of receiving things, flower and gifts, you can change the lives of a child or family in Felix Family Village in Thailand.

This will be your best gift!
