Dear sponsors and friends!

We begin our greeting to you with a wish for a Happy New Year. We hope you all have had a blessed holiday and time to relax and have fun with your family and friends.

Thanks to all of you who sent an extra Christmas gift to our children, families or for The Felix Village. This was a great and blessed surprise and was used for the children and families' Christmas parties within the families and for the big Felix Christmas Party.

As a new year starts, we usually look back at the past year and remember. We have done the same in the Felix Village. Although the year has passed quickly, we can see that much has happened that makes us grateful. At the beginning of March we had our Board meeting, and at the same time, we had the inauguration of house No. 6, when we welcomed family Wirot. To the feast came many visitors.

The festivities had just completed when we received

reports of major flooding by heavy rain for a long time in southern Thailand. Many people were hit hard by this storm, as did we in Felix Village. Through help from many of you, we were able to fix what has been destroyed and everything is working as usual again today.

Our children and young people have had holidays and time off from school. These sessions enable them to visit family and friends. Some of the families come from northern Thailand, so there is a long and interesting ride for the children to go there. The Felix families also tend to do something together. There is usually a trip to the ocean, where it is not that far to go. We know that these fine and beautiful memories the children now experience will follow them throughout life.

Little Cake is the girl who last moved into family K and into the Village. Everyone loves her and wants to be around her. We work now on bringing in more children to the families. Sometimes, it takes time and one reason for this is that we need to clear all documents necessary for the children.

During 2011 we had two Felix tours. We received many new sponsor and supporters. Together with Felix groups from Caminul Felix in Romania, we traveled in Sweden and the United States and inspired dedication. This will also take place during 2012.

What will happen in 2012 and what are our goals? What will happen we do not know, but we have goals set for Felix Village:

1. Inauguration of house number 7 in late spring
2. Constructing the Multi-Purpose building
3. Take in more children
4. More sponsors and supporters
5. Felix-tours in Sweden in Apr and in the U.S. Aug-Sept.

We are pleased to inform you that family Nordh from Sandviken is planning to go back again for a three-month period in late March to June and teach English. This is appreciated by our parents. We see it as important that we can help families with tuition in English. Fam. Nordh is now gathering financial support for their mission-teaching period. If there are any of you who want to help make a contribution to their costs, please feel free to contact us.

We want to end this greeting by wishing you God's richest blessing
